***OTHER COLOR CHOICES ARE AVAILABLE for kits in both materials upon request!**

With our kits, you'll have everything you need to safely and effectively remove ticks of any size or kind.

SYNTHETIC LEATHER

FRONT

BACK

Synthetic Leather, also known as faux leather is soft to the touch, strong and durable. It's also waterproof which makes it great for outdoor usage, and is resistant to abrasions and cuts.

Product Details

- ✓ Waterproof & Durable
- ✓ Customize with various color options
- ✓ **Fully customizable:** Add any stamping/text/logo and/or QR code (Front or Back Side) - no extra charge!

FABRIC

FRONT

BACK

Fabric is ideal for outdoor activities which is also used in military wear as it provides a rugged performance along with tear and abrasion resistance making it a long-lasting durability choice of fabric.

Product Details

- ✓ Rugged performance
- ✓ Tear & abrasion resistance
- ✓ Customize with various color options
- ✓ **Fully customizable:** Add any stamping/text/logo and/or QR code (Front or Back Side) - no extra charge!
